WING CUSTOMER APPRECIATION · RECAP

Wing Customer Appreciation Was a Big Hit!

Wing Customer Appreciation Day was a great success! We had an excellent turnout, with free prizes for both adults and children, as well as free food for everyone who attended.

Congratulations to **André Krige**, the winner of our grand prize — a 40-inch TV!

Thank you to everyone who came out and helped make the day special. We truly appreciate your support and look forward to seeing everyone again next year for an even bigger and better turnout! 🇺🇸

PROPANE SAFETY SPOTLIGHT

Transporting Cylinders

NEVER TRANSPORT A LEAKING CYLINDER

SECURE CYLINDERS UPRIGHT

Make sure they will not shift or roll. Avoid transporting in passenger area. If possible, secure in:

DO NOT LEAVE CYLINDERS IN YOUR VEHICLE

Drive directly to your destination and immediately remove the cylinders from your vehicle. Do not leave cylinders inside the vehicle or trunk. The pressure relief valve (if the parked vehicle gets too hot) or a leak may release propane, filling the enclosed space with flammable gas.

WAYS TO SECURE A CYLINDER

- Tie-downs/straps
- Propane cylinder stabilizer
- Cardboard box, milk crate
